TTU Summer Festival 2024

Welcome to Hjørring – The top of Denmark!

It is our pleasure to be able to invite you to Grandmaster Cho & Traditional Taekwondo Unions annual Summer festival!

This year it will be Yong Do Kwan – Hjørring Taekwondo, arranging and hosting, and we hope to see a lot of taekwondo practitioners, family members and friends, from near as well as far.

The Summer festival is as usual open for all interested, and offers a number of different activities, including but not limited to a lot of taekwondo.

We have as an example negotiated a cheap price to access Vandhuset (Water park) [Vandhuset | Hjørring Hallerne \(hjoerring.dk\)](http://Vandhuset | Hjørring Hallerne (hjoerring.dk)).

Parents/partners will naturally have the opportunity to try their hand at taekwondo during our parent/partner training sessions, or start off the day with a relaxing session of Shim Ki Shin. Throughout the week it will be possible to sign up for some korean cooking courses.

Not all details are in place, so please follow our
